	SM Reserve day	
	Local Closing &	
	Awarding Ceremony	
	Banquet / Cocktails	20.00
September 21,	WAG General Closing Ceremony	Efes

### 5.2. Daily Programme:

Detailed daily programmes for all categories will be announced in Bulletin No:3

### **5.3. WAG General Opening / Closing Ceremony**

#### **OPENING CEREMONY**

1st World Air Games general Opening Ceremony will take place on September 13, 1997 in Istanbul, İnönü Stadium. İnönü Stadium is located in Istanbul - Beşiktaş area.

Ceremony will start at 15.30 hours local time with cultural program, air sports demonstration, parade of teams and air show.

Due to logistic problems, THK is planning, that smaller delegation from each WAG participating NAC's will take part at the Opening Ceremony. Opening ceremony is open to anyone, who would like to be a part of it, at his/her own expenses (travel, lodging). On the other hand, September 13, 1997 will be a normal competition day; Local Opening Ceremony for 1st WAG Aeromodelling event will take place on September 07, in Ankara.

#### **CLOSING CEREMONY**

1st World Air Games general Closing Ceremony will take place on Saturday, September 21, 1997.

THK would like to have all participants at the general Closing Ceremony, but it's virtually impossible due to big distances between the WAG sites and enormous logistic and financial operation to facilitate it.

THK is looking forward to find a solution to have a majority of WAG participants at the Closing Ceremony. That is why all events complete on September 20 with local Awarding & Closing Ceremonies and September 21 is reserved for general Closing Ceremony.

Location of the ceremony will be in historical site of Efes.

THK is currently in contact with Ms. Julia Murphy, to be responsible for the WAG Opening/ Closing Ceremonies. She has been involved in the Atlanta 1996 Paralympics Games Opening Ceremony. Details about Opening and Closing Ceremonies will be known, when contract with Ms. Murphy will be concluded (first half of March 97) and THK will release them immediately.

### **6. VENUE**

#### **Site & Headquarters**

The competition headquarters will be established in Ankara, Dedeman hotel (see enclosed hotel brochures for details).

Dirsekli / Gölbaşı Aeromodelling venue is 35 SE km from Ankara (see enclosed maps for details).

### **7. HOW TO ENTER TURKEY- VISA REQUIREMENTS**

List of countries, with visa requirements to enter Turkey, has been published in Bulletin No.1 For all participants from those countries, the Turkish Consulates and Embassies in countries in question will facilitate visa requests.

To obtain more information concerning visas, participants should contact their Turkish Consulates and Embassies a.s.a.p. In case you need support from THK side, please do not hesitate to contact us.

### **8. ARRIVAL / DEPARTURE TRANSFERS**

Organizer will provide transfers from Ankara international airport "Esenboğa" to hotel on request only and against payment :

One way transfer price from airport to hotel (or return) is 10 USD per person.

Participants who want to be met at Ankara "Esenboğa" international airport must state it in the form which will be sent with 3rd Bulletin, indicating date / time of arrival and flight number.
