Volume ABR – Section 4A – CIAM INTERNAL REGULATIONS

F3C Technical Meeting [TM] recommends this clarification.

Volume ABR - Section 4B – General rules for international contests

Paragraph B.5.2 World and Continental Championships events:

F3C TM recommends this clarification with the modification discussed in the Bureau meeting that a notification be provided by 15. November to include it on the Plenary agenda.

Paragraph B.6 Contest information and entry fees:

F3C TM recommends this clarification with the understanding that “large number of judges” means 5 or more as in present code.

Volume F3C – Section 4C – R/C Helicopters

a) New rules for Artistic Aerobatics Competitions for Class F3C – Singapore

F3C TM discussed the proposal from Singapore and recommends that the proposed rules be tried at the next World Air Games or other major international competition to get experience with the rules.

2002 F3C European Championships

The Romanian organizer presented Bulletin 0 with contest site and lodging information and preliminary judges and jury lists.
