

WELCOME TO ALL!

Registration and Processing

All of the 48 competitors from the 17 participating countries have arrived here at Airport Bitburg and they started their free practice outside the competition site. The weather today was not the best, but the forecasting (see next page) is looking good.

Most of the teams had the processing check today. Tomorrow there is the official practice at the contest area. Each pilot will have 10 minutes flying time; time schedule see next page.

We wish you the best luck and always good flights.

Bottom: All sponsor flags are positioned well. Tomorrow you will see here the best european model helicopters in flight.
