

Preliminary Rounds now completed: Italia takes the top team place, Austria has successfully taken 2nd place

Best weather conditions today, and all preliminary rounds have now been completed successfully. Italia has taken the top team place for two European Championship in a row. Austria had taken second place and France third place in the team standings. – Congratulation to all!

Fabio Livi from Italia achieved 265,5 points for his 1000-flight, followed by Laurent Lombard (263,5 points) and Andreas Kals (263 points).

After finishing excellent hovering manoeuvres, Rüdiger Feil's horn of his tailrotor servo broke when he went to aerobatic manoeuvres. He stopped his flight successfully with an emergency autorotation. Nevertheless he achieved the first place of all preliminary rounds and has now one 1000-flight on his account.

The fly-offs with the best ten pilots (see on page 3 of this newsletter) will be held over the next two days.

We wish the competitors the best luck and always good flights!

*Manfred Dittmayer
Happy Birthday to
you!*

Today there is Manfred's birthday. Josef Kals and Johann Egger presented him typical Austrian »Zillertal«musik (see right picture). We all congratulate Manfred and wish him all the best!
