

2009 F3C W/C INDIVIDUAL RESULTS after PRELIMINARY ROUNDS

It is shown that the color with same color of the column of mark was performed on the same day. (Being each airfield according to a group).
The column of Group A and B expresses the player group (a meaning is the same although the sponsor is displaying it as Group #1 and #2).

Day 1	Day 2	Day 3	Day 4
-------	-------	-------	-------

The final day of preliminary rounds was windy, and, for this reason, all the pilots were low scores.
