Nr.889/03.05.2021

## Dear colleagues,

I am sorry to give you bad news about the organization of FAI 2021 WCh F3CN in Romania, namely that it was canceled.

It was a difficult decision for both the organizer and the FAI-CIAM Bureau, but having only 7 countries registered by the deadline, I thought it was right. Given that we must offer all countries the opportunity to participate, as well as the fact that people are afraid to travel during the pandemic, we have decided accordingly.

So, WCh F3CN will be organized in Romania in 2025 because, as you know, in 2023 the organizer will be the United States.

Until then, I wish you all good health and success in your professional activity!

Thank you for your understanding and I am waiting for you all in Romania in 4 years!

Sincerely,

Ioana DUMITRU - Secretary General

Of Romanian Modelling Federation
