## **Number of flights:**

All pilots perform 3” P” flights with the top 10 pilots performing 2 “F” flights. Subject to time and number of entrants, there may be the opportunity to fly an additional round of the P Schedule or for all pilots to fly the F schedule should they wish. This will be decided at the pilot’s briefing and once we have an accurate weather forecast for the weekend and know the number of participants.

## **Flight Order:**

Randomly selected by the computer prior to the start of the competition.

## **Calibration Flights:**

Calibration flight for P Schedule will be completed by the last pilot to fly in the 1<sup>st</sup> round as the flight order is randomly selected.

Calibration flight for F Schedule will be performed by pilot ranked 11<sup>th</sup> in the preliminary rounds. If all pilots should fly the F Schedule, the calibration flight will be completed by the last pilot to fly in the 1<sup>st</sup> round of F, as the flight order is randomly selected.
