Hotels: We recommend [Hotel Catalonia Las cañas](#) as it is appropriate and close to the flying field.

As the Spanish Superbike Championship will take place in a circuit close to the city, Hotels might already be booked. There are plenty of [Airbnb](#) apartments around, being also a good option. If any trouble is found when booking the accommodation, do not hesitate contacting the organization for personally taking care of it.

Camping: It is possible to camp at the flying field.

Toilets: Club Rioja Aeromodelismo has available toilets.

Electricity for charging: It will be possible to charge LiPos at the flying field.
