### (Red in the news)

The Aero Club Aeromodellistico Milano Est (ACAME) acts on Aero Club of Italy (AeCI)' authority invite all FAI affiliated National Air Sport Control Organizations to join with a team in the **14th FAI World Championship for helicopters model F3C** for the year 2011 on the following terms:

## Participation

Every FAI affiliated National Aero Club (National Airsport Control Organization) may enter a Team consisting of one Team Manager, three Senior Pilots, one Junior pilot and helpers, in agreement with 2011 FAI Sporting Code Section 4. Supporters from each participating country are welcome to the event.

The reigning World Champion, Mr. Ito Hiroki, is invited to defend his title.

## F3C junior World Championship

This year the F3C World Championship in Calcinatello will also have a junior classification, based on FAI Sporting Code regulations, Section 4 – Aeromodelling – Volume ABR Section 4A, Section 4B, Section 4C 2011 edition – Effective 1st January 2011 ([http://www.fai.org/aeromodelling/system/files/SC4\\_Vol\\_ABR\\_11.pdf](http://www.fai.org/aeromodelling/system/files/SC4_Vol_ABR_11.pdf)). This means that every NAC may enter a Junior competitor by either adding him/her to the senior team or as their only representative.

The title of World Champion in the junior category will only be awarded if at least competitors from 4 different nations compete. Regardless of the minimum number of competitors, the organizers guarantee that the achievements of junior competitors will be honoured at the official award ceremony and with the FAI medals.

## Organisers

The 2011 F3C FAI World Championships Organizing Committee of Aero Club Aeromodellistico Milano Est (ACAME) in agreement with Aero Club of Italy (AeCI), Comune di Calcinato, Provincia di Brescia, **Aeroanutica Militare**, Regione Lombardia, with the sponsorship Federazione Italiana Aero Modellismo (FIAM), invites to join with a team in the **14th FAI World Championship for helicopters model F3C**.

## Site location

The F3C World Championships will be held Calcinatello di Calcinato (BS), on the Aeromodelling site called "Casa Bianca" equipped with two parallel flying fields placed at a distance of about 500 meters from each other. The "Casa Bianca" is located 7km away from the shore of the beautiful Garda Lake, 5km west of the city of Brescia in Italy.

**Field elevation:** 171 meters above sea level
