2024 FAI F3CN European Championships for Model Helicopters

Classes F3C and F3N for Seniors and Juniors

https://f3cn.org/en/node/557

August 10th – August 17th, 2024
Aabenraa, Denmark

E-mail: thomas25wiese@icloud.com

Opening ceremony: 10th of August 2024
Closing ceremony: 17th of August 2024
1. ORGANISER AND LOCATION
Modelflyvning Danmark invites all FAI affiliated National Air Sport Control Organizations in Europe to join in the 16th FAI F3CN European Championships for model helicopters for seniors and juniors with a team in class F3C and / or with a team in class F3N for the year 2024 on the following terms:

1.1 Classes
F3C – Aerobatic Model Helicopter – Senior, Junior and Women
F3N – Freestyle Model Helicopters – Senior, Junior and Women

1.2 Cancellation of one class
Regarding to CIAM General Rules C15.10 it is defined that in multiple class (combined) championships like the 2024 FAI F3CN European Championships, if it turns out to be that after the end of the deadline to submit the Preliminary Entry Form (PEF), the number of entries in a class or classes is low, it is up to the organizer, in consultation with the CIAM Bureau, to cancel the competition for the class or classes concerned.

This can happen especially in classes where there is an extra cost for the organizers (additional judges, additional flight line etc), which cannot be covered from the entry fees. Such decision has to be taken after the end of the deadline for the PEF and before the deadline for the Final Entry Form (FEF) submission. This shall be announced together with the Bulletin 2.

1.3 Participation
Every FAI affiliated National Aero Club (National Airsport Control Organization) in Europe may enter a F3C-Team consisting of one Team Manager, a maximum of five competitors provided that at least one is a junior (age limit 18 years in the year 2024) and at least one is a woman and official helpers and/or a F3N-Team also consisting of one Team Manager, a maximum of five competitors provided that at least one is a junior (age limit 18 years in the year 2024) and at least one is a woman and official helpers, in agreement with 2024 CIAM General Rules C.5.3. The 2016 F3C European Champion and the 2016 F3N European Champion are also invited to attend. Supporters from each participating country are welcome to the event.

The reigning F3C European Champion, Ennio Graber (SUI), and the reigning F3N European Champion, Eric Weber (GER), have the right (subject to the approval of his NAC) to participate in the championship in their class regardless of whether or not they qualify for the national teams. If they are not a member of the national team, their scores or places will not be considered in the team results.

Every competitor can be a member of the F3C-Team and the F3N-Team and compete in both classes. In a case of doubt the jury decides about the starting time of this competitor in each round F3C and F3N.
1.4 F3C/F3N Junior and Women European Championships
The F3C/F3N European Championships will also have a junior and a women classification, based on the FAI Sporting Code regulations, Section 4 – Aeromodelling – CIAM General Rules 2024 edition.
This means that every NAC may enter a junior and a female competitor by either adding them to the senior team or as their only representative.
The title of European Champion in the junior and in the women category will only be awarded if at least competitors from 4 different nations compete and the total numbers of juniors or women are six (6) or more. FAI medals and diplomas will be awarded to the first, second and third placed juniors and women only if six (6) or more juniors or women are competing. If the number of juniors or female participants is less than this number (six), then only FAI diplomas will be awarded.

1.5 Number of participants
Regarding to CIAM General Rules C.5 f) each CIAM Subcommittee (S/C) taking into account, the financial viability of an event, the expected number of participants based on statistical information from previous events, may consider, working together with the organizer to propose to CIAM Bureau an alternative way to allow more competitors to participate, so to make the event happened, instead of cancellation due to limited number of participants.
For this the S/C has to consider:
- the maximum total number of competitors, which will allow the event to happen within the defined period
- the minimum number of competitors under which the event is no longer financially viable.

COMPETITOR INVITATION PROCEDURE PHASES

Phase 1
When the Bulletin 1 is published there is a deadline when the NACs may submit the PEF. After this, the organizer will evaluate the situation and if the number of expected participants is below the minimum number which makes the event financially viable, they can ask CIAM to consider cancelling the event as per the provisions of the rules or may consider to initiate a second phase for accepting more participants by sending this time, invitations.

Phase 2
In such a case and with the approval of CIAM Bureau the organizer may send out invitations to the NACs which already had expressed with the PEF, their intention to participate. At the same time, even the relevant CIAM S/C may also send invitations considering the World Cup ranking or similar criteria, which will ensure that the invited participants in Phase 2 are competent to participate in an FAI First Category event.
Invitations for Phase 2 shall not exceed the maximum number of participants allowed for the event.
The participants who will be invited by the S/C must also have the approval of their NAC in order to participate.
The invited participants in Phase 2 can only be part of the individual classification.
Registration from participants invited of Phase 2, will not be accepted later than 90 days for World Championships or 60 days for Continental Championships before the start of the event. This deadline is set so to allow the organizer and CIAM Bureau to decide for the event.

1.6 Location
The European Championship will be held at RC Parken, Søgaards Mark 6, 6200 Aabenraa, Denmark (54.943970, 9.483466). It is planned to hold the competitions for both classes on one flightline. If the number of participants exceeds the capacity of this flightline, a second flightline will be used.

The entry fee paid at the contest site will be increased by 20% and must be paid in cash at the contest office.

10 LODGING AND MEALS

10.1 Accommodation
Bramsmaj Farm Holliday is an ecological farm that rents out holiday apartments, they are only 1 km away from the contest site.
https://www.bremsmaj.dk/

Christies Inn is 7,5 km away from the contest site.
https://christies.dk/

Rødekro kro 15-20 min away
https://www.roede-kro.dk/
For other accommodations, please look at the common booking portals.

10.2 Camping Site
We have the option of offering camping pitches on the airfield area. There is 220V "Camping power" in connection with the clubhouse, a toilet trailer with bath will be set up.
The price for an overnight stay will be EUR 10 per place and night, this is settled directly with the Rc-Park and must be paid in cash in Euro.
The camping site opens Wednesday, 7th of August and people must have left again on Sunday, 18th of August. Please note that payment for camping must be made on Saturday during the registration.

10.3 Meals
Every participant of the European Championships is responsible for his food. We expect to be able to arrange the possibility to buy lunch at the airfield, we will inform about this in the near future on the Facebook group, or in a later edition of the Bulletin.

10.4 Banquet
The banquet will take place on August 17th, 19:00 hours. The location still needs to be confirmed and will be published in Bulletin 2.
Tickets are EUR 52 per person non-alcoholic drinks are included. Tables and additional tickets to be ordered during registration.
We hope many will participate, there will be a raffle for great sponsor gifts that evening, only people who attend the banquet can participate in the raffle.
11 INSURANCE
The participants are advised to have their own insurance for theft, goods, accident and medical.
All pilots need a valid EU operator registration number (E-ID) which must be displayed on the model aircraft(s). If participants do not have/cannot obtain an A1/A3 drone certificate from their home country, they can take one in England (website). They must also bring liability insurance from home. It will cover loss of life with 750,000 SDRs.

12 FREQUENCIES
Only 2.4 GHz spread spectrum radio control systems are allowed (output power up to 100 mW according to EN 300 328 Standard).

13 COMPLEMENTARY INFORMATION
13.1 Model Aircraft Specification Certificates
All models must be processed by the competitor’s NAC in accordance with CIAM General Rules C.12. Model aircraft not properly processed by their NAC, with FAI certificates and stickers, will be processed by the organiser at a cost of EUR 8 for each model (refer CIAM General Rules C.12 b).

13.2 Practice Sites
We will offer 3 small practice fields in a distance of 1000 to 1500 meters away from the contest site. We still work to get more practice sites.
The farm near the training field directly north of Bramsmaj is only used by residents in the evenings and at night, as road traffic passes through the property during the day.

Certain rules must be observed in all training fields at Bramsmaj:

- Flying is only permitted from 08:00 to 19:00
- Only electric powered models are allowed

13.3 Shipping Batteries / Fuel for models
Due to strict rules regarding the shipping of Model Aircraft Fuel, the organiser of the European Championships cannot be of assistance regarding fuel sourcing.

The organiser is not able to help with battery shipping but participants may use the following link to get help for battery transportation.
https://olespakkebil.com/
This destination is 25 km away from the contest site.
If problems arise regarding batteries shipping also feel free to ask on
thomas25wiese@icloud.com

13.4 Visa requirements
For citizens of the European Union and of the European Economic Area (EEA), there is no need to apply for a tourist visa for Denmark. These enter Denmark based on their identification documents or passports which do not require any stamp or sticker representing a visa. Denmark is also a member of the Schengen area which is means that all citizens coming from other member states also have the right to free travel to Denmark.

13.5 Registration of the national teams
